

Paris Restaurant Services

PARIS RESTAURANTS SERVICES is made up of twelve Parisian restaurants specialising in groups, as well as a sales platform that allows group travel organisers working in PARIS to find a restaurant that can welcome their clients in the best possible conditions close to all the major attractions from MONTMARTRE to MONTPARNASSE, the Grands Boulevards or OPERA, and from BERCY to the EIFFEL TOWER and CHATELET.

All these establishments are operated by the proprietors themselves who are also very often chefs, offering a wide range of ambiances as well as the guarantee of a personal service.
